The fall fishery will open at 18:00 hours on Sunday, September 12, 2021 until 12:00 hours on October 8, 2021 or until the quota is harvested, whichever comes first. In 2021, daily closures will again be implemented for the fall fishery from 12:00 hours to 18:00 hours in addition to weekend closures for all weekends while the fishery is open.

Fall weekend closures:

1. 12:00 hours Friday, September 17 to 18:00 hours Sunday, September 19
2. 12:00 hours Friday, September 24 to 18:00 hours Sunday, September 26
3. 12:00 hours Friday, October 1 to 18:00 hours Sunday, October 3

The fishing depth restriction of 50 feet in a portion of 16F will again be implemented by Conditions of Licence in 2021.

### **New for 2021**

- **Crew Registry:** The inshore regulations require inshore commercial licence holders, and their approved Substitute Operators, to keep records of all the crew members working aboard the vessel on every fishing trip. These records must be maintained by the licence holder for a period of five (5) years. More information can be found at: <https://www.dfo-mpo.gc.ca/fisheries-peches/commercial-commerciale/atl-arc/inshore-regulations-reglement-pecche-cotiere-eng.html>

Furthermore, it is reminded that, during the period where fishing is authorized, it is the responsibility of the licence holder to take into account the marine safety notices issued, among others, by Environment and Climate Change Canada and Transport Canada, as well as the standards and best practices in marine safety, and to take all measures to ensure a safe fishery.
