

Notice to 2015 PEI Halibut Fish Harvesters

In an effort to capture the remaining 2015 PEI Halibut quota of 15,642.8 kg, the PEI Fishermen's Association will be administering a registration and draw for those fishers with continued interest in fishing halibut. The individual catch limit will remain 145 kg for those taking part in the fishery. Those eligible to enter the fishery must have a hail our number from either of the previous 2015 halibut fisheries (July or September). There is no fee for this registration. If the number of registrants exceeds the available quota a draw will proceed.

Details of Registration:

Date/Time: 8:30AM - 4:30PM, Friday, September 25th, 2015 with draw to follow.

Location: 420 University Avenue, Farm Centre, Charlottetown

Required Info: Fishers can register in person, or by phone.

Registrations after 4:30PM, September 25th will NOT be accepted.

The conservation and harvest plan and the list of harvesters will be submitted to The Department of Fisheries & Oceans (DFO) and will be subject to confirmation and approval by DFO.

The anticipated fishing period is Monday, October 19th to Thursday, October 22nd, 2015.
