LOBSTER FISHERY IN LOBSTER FISHING AREA 26A-1 POINT PRIM TO VICTORIA

May 4, 2018

Moncton, NB – Fisheries and Oceans Canada (DFO), Gulf Region, wishes to advise that the department will review the weather forecast on Sunday, May 6, to determine if the lobster fishery in Lobster Fishing Area 26A-1 Point Prim to Victoria Extension Area will remain open at 6:00 am on Monday, May 7, 2018.

DFO will consult with Environment and Climate Change Canada and fish harvester representatives on Sunday morning and issue a subsequent Notice to Fish Harvesters after consultations have been held.
