

Notice to Fish Harvesters

DELAY IN OPENING OF THE LOBSTER FISHERY

Moncton – April 23, 2015

EKME # 3461521

Fisheries and Oceans Canada, Gulf Region, wishes to advise harvesters that due to ice conditions in the Southern Gulf of St. Lawrence, the spring lobster fishery will not open on April 30, 2015 as originally scheduled. The season opening will be delayed until ice conditions improve. More information will be made available in a subsequent Notice to Fish Harvesters to be released on April 29, 2015.
