

'OFFER TO RELINQUISH' APPLICATION

PEIFA FIXED GEAR GROUND FISH RATIONALIZATION PROGRAM

The PEI Fishermen's Association is seeking 4RST PEI Fixed Gear Groundfish license holders with an interest in being compensated for the retirement of their groundfish license through the PEIFA Fixed Gear Groundfish Rationalization program. This program is aimed at increasing the viability of the groundfish fleet on PEI and aligns with the PEIFA Groundfish Advisory Committee's long-term strategy for the PEI halibut fishery. This year, we are doing the relinquishment on a first come first served basis, until funds are extinguished. However, if interest exceeds the amount of funds, a list of license numbers will be kept on file for future references. Interested fishers will need to complete and sign the 'Offer to Relinquish' Application. The compensation is \$7,500 Canadian dollars, in exchange for the groundfish license. If the offer is accepted, the groundfish license will be permanently retired. The objective of the program is to accept as many offers as possible within the program budget amount that is available for 2020.

All applications will be kept strictly confidential.
