

\$ HALIBUT TAG REWARDS \$

Fisheries and Oceans Canada (DFO) and the PEI Fishermen's Association are collaborating on the 2013-2015 Atlantic Halibut Research Project. As part of the project there have been halibut released with two types of tags (*See photos*). The purpose of this study is to better understand Atlantic halibut movements and to better define the local stock.

Pink Anchor-t tag

Reward is a hat for reported pink anchor-t tag info.

Satellite pop-up tag

Reward is \$500 cash for every returned Satellite tag!

Please include the following mandatory information with the returned tags:

- Your name, address and phone number
- Date and location the fish was captured (coordinates)
- length of fish
